

## TWIN OAKS ICE RINK GAME DAY PROCEDURES

**02/25/2021: We will be allowing ONE PARENT per PLAYER per TEAM to enter the rink to watch games only. Each spectator is required to fill out a [Daily Wellness Waiver](#). Spectators will be let inside when our cleaning procedures are complete and when the players are on the ice for warmups. At the conclusion of the game, Spectators must exit the building immediately and before the players leave the playing surface, waiting for their child outside.**

### **\*\*IMPORTANT REQUIRED READING\*\***

Please visit our website at the link below to read the following:

Safety Modifications we've made, Our Self Screening Policy –If you don't feel well please stay at home. Protocols/Rules we must abide by. <https://www.twinoaksicerink.com/docs/covid19-twinoaks.pdf>

### **A Few Key Points from the Governor's Executive Order #187 and the Atlantic Amateur Hockey Association**

**All Players need to arrive at our facility dressed in full equipment.** Social distancing of 6' apart inside and outside of our facility is extremely important as is wearing a facemask or face-covering. Let's all respect and follow the rules so the kids can enjoy their full hockey season.

### **\*\*REQUIRED\*\* Entering and Exiting Rules**

1. **Entry will begin approximately 15 minutes before game time and in the following order: ONE** team manager from each team, **Goalies**, Up to **3 Coaches** and then **skaters. EVERYONE MUST BE PROPERLY WEARING A FACEMASK COVERING BOTH THEIR NOSE AND MOUTH TO ENTER.**
2. **GOALIES AGE 12 AND UNDER:** If needed, One Parent of **ONLY** the GOALIES from both teams in this age group, will be allowed inside our lobby area to help their child complete the dressing process. Parent and child should be among the first to enter the building when our staff allows. Goalies should enter the building at a minimum already wearing their undergarments and goalie pants to speed up the dressing process inside. After completely dressed, Goalies should **KEEP THEIR PLAYING MASKS OFF AND FACEMASKS ON** while joining their teammates inside the rink area at a designated chair. Coaches can handle helping with Goalie Masks before game time.
3. **All Skaters must arrive at our facility wearing FULL equipment. They must also be wearing a facemask covering their nose and mouth. Only skates, helmets and gloves should be carried inside by hand or in a small bag to be put on at an assigned chair before the game. Players who are not able to tie up their own skates will need to enter the rink with them on. OUR APOLOGIES, BUT WE DO NOT HAVE A STAGING AREA FOR YOUNG SKATERS TO HAVE THEIR SKATES TIED UP INSIDE.** Coaches can handle helping with buckling up helmets before game time.
4. One of our staff members will be doing forehead temperature checks. Any reading of over 99.9 is a fail meaning you won't be allowed inside and must leave immediately.
5. **WHEN INSIDE EACH TEAM MANAGER** should stand near our lobby staff member using a USA Hockey roster sheet to take the attendance of all players, coaches and managers for each game, giving the completed sheets to the **Home Team manager**. Please then head to our café to watch the game.
6. Everyone entering will be asked to sanitize their hands at our front door station.
7. One of our staff members will guide players to a chair inside the rink to put their skates on. Players may **ONLY takeoff** their facemask just before they go on the ice.
8. After the game exit the ice surface through your assigned gate and find your chair.
9. **Put your facemask back on immediately after taking off your helmet.**
10. Quickly remove your skates, placing them in your small bag along with your gloves and helmet.
11. **Take all your belongings as you leave immediately, exactly the way you came in, FULLY DRESSED. We vow to keep your child more safe by completing our cleaning process after each game.**

**\*\* NOTE: HOME TEAM vs VISITING TEAM\*\***

We have enough chairs inside the rink area for both teams. We ask that the visiting team sit where asked, in chairs starting just beyond the Pro Shop door, down the side boards of the rink towards locker room 4. Your entrance and exit to the ice surface is through the rink gate near locker rooms 2/3 as well as the rink gate near locker room 4. We ask that the home team sit where asked, in chairs starting from across from the Pro Shop door around the café end of the rink towards the Home team players bench. Your entrance and exit to the ice surface is through the rink gate across from the Pro Shop or near the Home team player's bench.
